

2021 Christmas Food Bins

This Christmas season Trinity will be partnering with the Madison Assistance Program (for the elderly that are in need living in Madison.) The Madison Assistance Program is requesting that we provide 30 Christmas food boxes for the elderly in Madison. So, we have committed to providing 30 Christmas Food Boxes that are due back to Trinity on or before November 28, to the Modular or the Gathering Area. We also have some plastic bins in the Gathering Area in which you may use to place your food.

Please sign up to provide one of these baskets. Food lists are available online and in the Gathering Area.

Thanks!
Glenn
