

2022 Easter Food Bins

Once again, this Easter season Trinity will be partnering with the Madison Assistance Program (for the elderly that are in need living in Madison.) The Madison Assistance Program is requesting that we provide 30 Easter food boxes for the elderly in Madison. So, we have committed to providing 30 Easter Food Boxes that are due back to Trinity on or before March 27, to the Modular or the Airlock. We also have some plastic bins in the Airlock in which you may use to place your food.

Please sign up to provide one of these baskets. Food lists are available online and in the airlock.

Thanks!

Glenn
