Part One

1. GLORIOUS IN HOLINESS

Glorious in holiness, Yahweh, Elohim.
Spirit Eternal, Infinite, unchanging.
The Lord our God is one Lord.
Let there be light! and there was, and it was good!
And the morning stars sang together And the sons of God shouted for joy.
He laid the foundations of the earth and determined the measures thereof.
He shut up the seas with doors and clothed them in mighty mists.
He commanded the mornings since days began,
He caused the day spring to know its place.
He lives in a house of light and scatters the wind on the earth.
He put wisdom in inward parts. And has given thought to the mind.
He can pour out the bottles of heaven, and command the eagle to mount up.
And the Spirit of God said, Let there be light! Amen.

NARRATION

2. THERE IS NO PARDON

There is no pardon, man must leave the garden.
He must toil with his wife, he must forfeit his life, there is no pardon.
For the wages of sin is death. Break the law and you will fall.
No longer will God call in the cool of the evening.
Now in the valley of dust and death,
Is there no sweet moisture laden breath
To send a healing rain?
Now is the beginning of the end.
Is there nothing God can send to take away the pain?

NARRATION

3. SENT A FLOOD

Sent a flood didn't do no good.
Couldn't wash out Abel's blood.
And all over sin, all our sin!
We are men, yes, we are men
Best thing ever made!
Eat! Drink! Eat, drink and be merry.
Sleep away our empty lives in the shade of a sycamore tree.

For the wages of sin is death.
Break the law and you will fall
No longer will God call in the cool of the evening
Now in the valley of dust and death,
Is there no sweet moisture laden breath to send a healing rain?
Is there nothing God can send to take away the pain, the empty pain?
Please take away the empty, lonely pain.
Now is the beginning of the end.

Part Two

4. ALL THINGS WERE MADE BY HIM

All things were made by God.
In Him was life. And the life was the light of men, and the light shineth in darkness.
And the darkness can never conquer it.
For He is the light of the world.
And he that follows Jesus shall not walk in darkness,
But shall have the light of life.
All Glory to God! And His Son, Jesus
Man's Savior Jesus. Man's redeemer, Jesus.
Man's friend Jesus. Man's brother, Jesus.

5. JESUS, GENTLE LAMB

Jesus, Blessed Lord Jesus.
Precious Name, Sweetest Song, Gentle Lamb
Jesus, Ruler, Eternal. King of Kings, Lord of Lords.
Perfect Prince of Peace.
Jesus, Jesus, Friend and Redeemer.
Jesus, Jesus, Lord Most High
Jesus, Jesus, Merciful Savior
Holy One, Dearest Son, Jesus, Gentle Lamb

NARRATION

6. JESUS, GENTLE LAMB (first reprise)

Jesus met a blind man and healed his eyes that day,
Had pity on a lame man and watched him walk away.
He helped the frightened woman caught in the act of sin,
He touched a screaming mad man and made him sane again.
He took twelve of different trades, and showed them how to be.
He walked across the water and calmed the angry sea.
He spoke in simple stories to help them understand.
He said that He was Son of God, and also Son of Man.
He never told a lie, He always told the truth, and because
He knew our faith was weak,
He sometimes gave us proof.

NARRATION

7. PEACE LIKE A RIVER

Jesus, What kind of man are You?
The wind was contrary, the waves extraordinarily high,
and then You held out Your beautiful hand,
And with a single thought, You calmed the wind.
And the storm gave a tender sigh,
He gives you peace like a river, washing away all your fears.
He gives you light like a new day, glowing through all your tears.
Jesus, What kind of man are You?
The Waves had lost their wrath, The moon became a path of light,
and then You smiled on the glassy sea.
And in the time of fear You calmed our hearts.
And You showed us how deep Your love can be.
He gives you joy like a soft robe wrapping you up in His love.
He gives your strength like an eagle, hov'ring high above.
He came hoping to show you the way to be free.
He came dying to love you, so you could see how to see.
He gives you hope like fresh laughter bubbling out of a child.
He gives you life, that's unending, Loving you all the while.
