

2026 Christmas Food Bins

This Christmas season Trinity will be partnering with ENABLE of Madison County to provide food bins for the elderly that are in need living in Madison County. Trinity's goal is to provide 30 Christmas food bins for the elderly in Madison. These filled bins are due back to Trinity on or before November 29, to the Modular or the Gathering Area. We also have some plastic bins in the Gathering Area, in which you may use to place your food.

Please sign up to provide one of these baskets. Food lists are available online and in the Gathering Area.

Thanks!

Glenn
