On Eagle's Wings was composed 50 years ago in 1976 by a 24-year-old Catholic priest to comfort a friend who had just experienced the sudden death of his father. The song's scriptural foundations include Psalm 91 and its message regarding the shelter and protection provided under the shadow of God's wings. The song also references Exodus 19:4 where God tells the Israelites that He bore them up on eagles' wings and carried them to Himself for safety.
